THE OPPORTUNITY

WOOD PARTNERS announces the development of a modern community rooted in the shared vision of design integrity and sensitivity to this historic, dynamic and treasured neighborhood. Anchored by 240 apartment homes, the project is positioned in the heart of Columbia City, straddling the heavily-traveled arterials of Rainier Avenue South and South Alaska Street, and acting as a bridge to join the communities of Seward Park, Hillman City, Beacon Hill and Mt. Baker.

Community residents will be just four miles from downtown Seattle by car, and the Columbia City Light Rail Station is a six minute walk from the site. The 93 Walk Score for 4716 Rainier Ave South makes it a Walker's Paradise. The area boasts a higher average percentage of families than Greater Seattle as a whole, (42% vs. 37%), a thriving Pedestrian Business District, and an overall diverse, creative and professional community. The site is further tightly knit into the community due to its direct proximity to the well-loved Rainier Play Fields and Rainier Community Center, and the Columbia Park and Library, both directly across S. Alaska St. and Rainier Ave. S. respectively.

Individuals, couples and families work, visit and live together here in a neighborhood that cherishes and preserves the ethnic, creative and cultural diversity that serves as its backbone. Project completion estimated for early 2021, retail leasing options available now.
